Conclusions

This new claim is in condition for allowance.

The amendments made herein are made solely for the purpose of advancing the examination of the application and, unless otherwise specifically stated, are not to be construed as an admission that the claimed invention requires such amendments to be patentably distinct over the prior art.

A check written for the fee for an additional independent claim is enclosed.

If the Examiner finds this response deficient in any sense, Applicant requests that the Examiner contact the Applicant via telephone or fax at 011-4122-344-0694 (Geneva, Switzerland).

Respectfully Submitted,

By:
